Each group has only a limited number of rehearsals to learn 2 routines and attendance at rehearsals is compulsory. Failure to attend 2 rehearsals will result in exclusion from the cast list.

Registers will be taken at the beginning of each rehearsal by the coaches. It is your responsibility to ensure that your or your child's name is ticked off in the register. If you or your child are unable to attend a rehearsal then you need to email panto@nikegroup.co.uk as this account is monitored regularly.

A good code of conduct is expected on the ice, poor behaviour or inappropriate comments about the pantomime on social media sites will be reported to the Panto Director and may result in removal from the cast list.
