

FUSION Text, Email Messaging and Social Media

It is the position of Bracknell FUSION Synchro Skating Team that to comply with safeguarding guidelines the Members will only communicate with child skating team member's parents. If this is not possible, for whatever reason, and the team member is contacted directly then the Team Manager will be copied into all communications.

No emails or texts should be sent to the coaches by skaters or parents of children. All correspondence should go via the Team Manager.

Social Media

Social media websites (i.e. Facebook, Twitter) must not be used under any circumstances to discuss Synchro matters, talk about other skaters that are not in the conversation.

Groups are not to be formed using FUSION or BISC Club's name or representing the club in anyway.

Do not respond to other Teams from other rinks where the theme is discussion regarding Synchro.

If any of the above occurs then the disciplinary route will be taken.

Team pictures will be put on the new (coming soon) Fusion Facebook page, by the administrator. Team members are welcome to use this page for conversing positively about the team.
